

Guidelines to stay in a hotel with a dog:

- The dog is in hotel always on a leash.
- We kindly ask you that your faithful companion waits in the room when you visits the following parts of hotel: a restaurant, wellness, conference room and lounge.
- Walk is important part of your dog's life. We invite you to take a stroll with on the meadow him across the street (south side), where you can together admire the beautiful view of Pohorje, or just talk a walk around the beautiful Pekrska gorca.
- Good dog knows that its owners have to clean up after him. If you run out of bags you can pick them up at the reception desk.
- If an accident happens and your dog causes any damage in the room, please report it to the reception, where you can also repay the damage.
- If you need help of a veterinarian or any other services, we will be happy to offer you help.

Thank you for the time you took it for reading.

We wish you a comfortable and pleasant stay at the Hotel Bau, and we hope that you will feel with us at home.
